FEDERAL TRANSIT ADMINISTRATION (FTA) CLAUSES

(Revised 02/2023)

Contractor shall comply with the following FTA requirements. For purposes of these clauses, WCCTA is the FTA recipient or subrecipient that is entering the Contract with Contractor.

1. NO FEDERAL GOVERNMENT OBLIGATION TO THIRD PARTIES.

[Does not apply to purchases of \$10,000 or less, except for construction contracts over \$2,000.]

WCCTA and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation of this Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to WCCTA, Contractor or any other party (whether or not a party to that Contract) pertaining to any matter resulting from the Contract. Contractor shall include the above clause in each subcontract financed in whole or in part with Federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

2. INCORPORATION OF FTA TERMS.

[Does not apply to purchases of \$10,000 or less, except for construction contracts over \$2,000.] The preceding provisions include, in part, certain Standard Terms and Conditions required by the U.S. Department of Transportation (DOT), whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, and are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in the contract. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any requests of WCCTA that would cause WCCTA to be in violation of the FTA terms and conditions. Contractor shall include this clause in each subcontract financed in whole or in part with Federal assistance provided by the FTA.

3. PROGRAM FRAUD & FALSE/FRAUDULENT STATEMENTS OR RELATED ACTS.

[Does not apply to purchases of \$10,000 or less, except for construction contracts over \$2,000.]

- A. Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 *et seq.* and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR part 31, apply to its actions pertaining to this Project. Upon execution of the Contract, Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the Contract or the FTA-assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Contractor to the extent the Federal Government deems appropriate.
- B. Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. chapter 53, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5323(l) on Contractor, to the extent the Federal Government deems appropriate.
- C. Contractor shall include the above two paragraphs in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

4. ACCESS TO RECORDS, REPORTS, & SITES.

- A. **Record Retention.** Contractor shall retain, and will require its subcontractors of all tiers to retain, complete and readily accessible records related in whole or in part to the contract, including, but not limited to, data, documents, reports, statistics, sub-agreements, leases, subcontracts, arrangements, other third-party agreements of any type, and supporting materials related to those records.
- B. **Retention Period.** Contractor shall comply with the record retention requirements in accordance with 2 CFR § 200.333. Contractor shall maintain all books, records, accounts and reports required under this Contract for a period of at least three (3) years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case records shall be maintained until the disposition of all such litigation, appeals, claims or exceptions related thereto.
- C. **Access to Records.** Contractor shall provide sufficient access to the U.S. Secretary of Transportation, the Comptroller General of the United States, FTA, WCCTA, and their duly authorized representatives to inspect and audit records and information related to performance of this contract as reasonably may be required.
- D. **Access to the Sites of Performance.** Contractor shall permit FTA, WCCTA, and their duly authorized representatives access to the sites of performance under this Contract as reasonably may be required.

5. FEDERAL CHANGES

Contractor shall at all times comply with all applicable federal laws, regulations, requirements, policies, procedures, guidance, and directives, including without limitation those listed directly or by reference in the FTA Master Agreement between WCCTA and the FTA, as they may be amended or promulgated from time to time during the term of the Contract. Contractor's failure to so comply shall constitute a material breach of the Contract.

6. CIVIL RIGHTS.

WCCTA complies with applicable federal civil rights laws, regulations, and requirements. Therefore, FTA requires compliance with each civil rights statute, including compliance with equity in service requirements.

All Federal funding must be expended in full accordance with the U.S. Constitution, Federal Law, and statutory and public policy requirements, including but not limited to those prohibiting discrimination and protecting free speech, religious liberty, public welfare, and the environment.

8. DISADVANTAGED BUSINESS ENTERPRISES (DBE) REQUIREMENTS.

It is the policy of WCCTA and the United States Department of Transportation ("DOT") that Disadvantaged Business Enterprises ("DBE's"), as defined herein and in the Federal regulations published at 49 C.F.R. part 26, shall have an equal opportunity to participate in DOT-assisted contracts.

The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 C.F.R. part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as WCCTA deems appropriate, which may include, but is not limited to:

- (1) Withholding monthly progress payments;
- (2) Assessing sanctions;
- (3) Liquidated damages; and/or
- (4) Disqualifying the contractor from future bidding as non-responsible. 49 C.F.R. § 26.13(b).

Prime contractors are required to pay subcontractors for satisfactory performance of their contracts no later than 30 days from receipt of each payment WCCTA makes to the prime contractor. 49 C.F.R. § 26.29(a).

Finally, for contracts with defined DBE contract goals, the contractor shall utilize the specific DBEs listed unless the contractor obtains WCCTA's written consent; and that, unless WCCTA's consent is provided, the contractor shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE. 49 C.F.R. § 26.53(f) (1).

9. PROMPT PAYMENT

The contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 30 days after the contractor's receipt of payment for that work. In addition, the contractor is required to return any retainage payments to those subcontractors within 30 days after the subcontractor's work related to this contract is satisfactorily completed.

The contractor must promptly notify WCCTA, whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. The contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of WCCTA.

10. ENERGY CONSERVATION.

Contractor shall comply with mandatory standards and policies relating to energy efficiency, which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. §§ 6321 et seq.).

11. SAFE OPERATIONS OF MOTOR VEHICLES.

- A. **Seat Belt Use.** Contractor is encouraged to adopt and promote on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company- rented vehicles, or personally operated vehicles. The terms "company-owned" and "company-leased" refer to vehicles owned or leased either by Contractor or WCCTA.
- B. **Distracted Driving.** Contractor shall adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Contractor owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the work performed under this Contract.
- C. **Subcontracts.** Contractor shall insert the substance of this clause, including this paragraph, in all subcontracts that exceed the micro-purchase threshold, as defined in Federal Acquisition Regulation 2.101 on the date of subcontract award.

12. CONTRACTOR POLICIES TO BAN TEXT MESSAGING WHILE DRIVING.

[Does not apply to purchases of 10,000 or less, except for construction contracts over \$2,000.]

- A. **Definitions.** As used in this clause: **(1) "driving"** means operating a motor vehicle on an active roadway with the motor running, including while temporarily stationary because of traffic, a traffic light, stop sign, or otherwise (**note:** "driving" does not include operating a motor vehicle with or without the motor running when one has pulled over to the side of, or off, an active roadway and

has halted in a location where one can safely remain stationary); and **(2) “text messaging”** means reading from or entering data into any handheld or other electronic device, including for the purpose of short message service texting, e-mailing, instant messaging, obtaining navigational information, or engaging in any other form of electronic data retrieval or electronic data communication (**note:** “text messaging” does not include glancing at or listening to a navigational device that is secured in a commercially designed holder affixed to the vehicle, provided that the destination and route are programmed into the device either before driving or while stopped in a location off the roadway where it is safe and legal to park).

- B. **Executive Order.** This clause implements Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, dated October 1, 2009. Contractor is encouraged to adopt and enforce policies that ban text messaging while driving company-owned/rented vehicles, Government-owned vehicles, and privately-owned vehicles when on official Government business or when performing any work for or on behalf of the Government. Contractor is also encouraged to conduct initiatives in a manner commensurate with the size of the business, such as: **(1)** establishment of new rules and programs or reevaluation of existing programs to prohibit text messaging while driving; and **(2)** education, awareness, and other outreach to employees about the safety risks associated with texting while driving.
- C. **Subcontracts.** Contractor shall insert the substance of this clause, including this paragraph, in all subcontracts that exceed the \$10,000

13. PROHIBITED TELECOMMUNICATIONS/SURVEILLANCE SERVICES/EQUIPMENT.

WCCTA is prohibited from obligating or expending loan or grant funds to: procure or obtain, extend or renew a contract to procure or obtain, or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

Contractor shall not provide covered telecommunications equipment or services in the performance of the Contract. As described in Public Law 115-232, section 889, covered telecommunications equipment is: **(A)** telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities); **(B)** video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities) for the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes; **(C)** Telecommunications or video surveillance services provided by such entities or using such equipment; and **(D)** telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

14. TRAFFICKING IN PERSONS.

Contractor and its subcontractors or their employees shall not: **(A)** engage in severe forms of trafficking in persons during the Contract Term; **(B)** procure a commercial sex act during the Contract Term; or **(C)** use forced labor in the performance of the Contract. Contractor shall inform WCCTA immediately of any information Contractor receives from any source alleging a violation of a prohibition in this section. WCCTA may terminate this Contract for any violation of this section; such right of termination is in addition to all other remedies for noncompliance that are available to WCCTA.

15. TERMINATION.

The termination rights under this Contract are in addition to, and in no way limit, the Federal Government’s right to terminate as described in 2 CFR § 200.340.

Termination for Convenience (General Provision)

WCCTA may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in WCCTA's best interest. The Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to WCCTA to be paid the Contractor. If the Contractor has any property in its possession belonging to WCCTA, the Contractor will account for the same, and dispose of it in the manner WCCTA directs.

Termination for Default [Breach or Cause]

If the Contractor does not deliver supplies in accordance with the contract delivery schedule, or if the contract is for services, the Contractor fails to perform in the manner called for in the contract, or if the Contractor fails to comply with any other provisions of the contract, WCCTA may terminate this contract for default. Termination shall be effected by serving a Notice of Termination on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will be paid only the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract. If it is later determined by WCCTA that the Contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the Contractor, WCCTA, after setting up a new delivery of performance schedule, may allow the Contractor to continue work, or treat the termination as a Termination for Convenience.

Opportunity to Cure

WCCTA, in its sole discretion may, in the case of a termination for breach or default, allow the Contractor [an appropriately short period of time] in which to cure the defect. In such case, the Notice of Termination will state the time period in which cure is permitted and other appropriate conditions.

If Contractor fails to remedy to WCCTA's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within [10 days] after receipt by Contractor of written notice from WCCTA setting forth the nature of said breach or default, WCCTA shall have the right to terminate the contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude WCCTA from also pursuing all available remedies against Contractor and its sureties for said breach or default.

Waiver of Remedies for any Breach

In the event that WCCTA elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this contract, such waiver by WCCTA shall not limit WCCTA's remedies for any succeeding breach of that or of any other covenant, term, or condition of this contract.

16. AMERICAN WITH DISABILITIES ACT (ADA).

The contractor agrees to comply with all applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps, with the Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. §§ 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments to that Act, and with the Architectural Barriers act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to persons with disabilities, including any subsequent amendments to that Act. In addition, the contractor agrees to comply with any and all applicable requirements issued by the FTA, DOT, DOJ, U.S. GSA, U.S. EEOC, U.S. FCC, any subsequent amendments thereto and any other nondiscrimination statute(s) that may apply to the Project.

17. NOTIFICATION TO FTA.

[Applies to all contracts and subcontracts in excess of \$25,000.]

If a current or prospective legal matter that may affect the Federal Government emerges, Contractor must promptly notify WCCTA, which must then promptly notify the FTA Chief Counsel

and FTA Regional Counsel for Region 5. Contractor must include an equivalent provision in its subagreements at every tier for any agreement that is a “covered transaction” according to 2 C.F.R. §§ 180.220 and 1200.220.

- A. **Types of Legal Matters Requiring Notification.** The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason.
- B. **Matters Affecting the Federal Government.** Matters that may affect the Federal Government include, but are not limited to, the Federal Government’s interests in the Award, the Contract, and any Amendments thereto, or the Federal Government’s administration or enforcement of federal laws, regulations, and requirements.
- C. **Additional Notice to U.S. DOT Inspector General.** Contractor must promptly notify WCCTA, which must then promptly notify the U.S. DOT Inspector General in addition to the FTA Chief Counsel or Regional Counsel for Region 5 if Contractor has knowledge of potential fraud, waste, or abuse occurring on a Project receiving assistance from FTA. The notification provision applies if a person has or may have submitted a false claim under the False Claims Act, 31 U.S.C. § 3729, et seq., or has or may have committed a criminal or civil violation of law pertaining to such matters as fraud, conflict of interest, bid rigging, misappropriation or embezzlement, bribery, gratuity, or similar misconduct involving federal assistance. This responsibility occurs whether the Project is subject to this Contract or another agreement between WCCTA and FTA, or an agreement involving a principal, officer, employee, agent, or Third-Party Participant of WCCTA. It also applies to subcontractors at any tier.
